Log In to Your Adobe Account

An IT Hub Guide

If you do not have a Penn State Adobe account, go to adobe.psu.edu and follow the prompts. Once your account is set up, you will be able to log in.

On a Mac:
- Open the ‘Applications’ folder. Look for a folder called ‘Adobe Creative Cloud’ and double click on the icon.

On Windows:
- Click on the ‘Start’ button in the lower left hand corner and look for the ‘Adobe Creative Cloud.’ Click on the icon.

To Log In:
- In the window that pops up, you will enter your Penn State email account. Do not enter a password. Hit ‘Sign In.’
• You will be asked to choose an account. Select the ‘Enterprise ID’ option.

• You will then be asked to sign in with your Penn State Access ID. You may be asked to authenticate with DUO at this time.
• Once the authentication goes through, the Adobe Creative Cloud will open. Select the applications you would like to install (or update).

• You can now use the Adobe Creative Suite on your computer!
